

Dear KTS parents,

Did you know? Some of last year's KTS students experienced these activities:

- "Rachel's Challenge," a powerful and inspirational program for middle school about compassion and acts of kindness to help eliminate violence, prejudice and bullying.
- An assembly to hear and play Spanish and Latin music from "Raices Culterales."
- "Hiawatha," a fantastic puppet show performed by Catskill Puppet Theatre.

How? With the help of the Kingwood Township Education Foundation (KTEF)!

- KTS teachers suggested educational activities that make learning exciting for their students.
- KTEF covered the cost of trips, assemblies and resources not included in the school's budget.
- KTS parents, relatives, staff and neighbors gave generously to make it happen!

Let's make 2009-2010 a school year our students will never forget!

Please make your KTEF donation today. Be a part of making this year a memorable one! Every donation, no matter the size, ensures that every student receives innovative and exciting educational experiences like this every year.
