

Here is a brief announcement of NJ FamilyCare outreach effort for emailing or posting on websites. The links to this announcement and to flyers on the outreach initiative are at www.acnj.org.

Attention Parents!

Free or low-cost health insurance is available for New Jersey children

Do you have a child without health insurance? If you checked a box on this year's state tax return indicating you have a child who is uninsured, you will be receiving in the mail an application for free or low-cost health insurance from NJ FamilyCare.

The application will come in a white envelope marked, ***Express Lane Application for Health Insurance Enclosed***. Please open it, fill it out and return it as soon as possible.

You work hard to keep your children safe, healthy and happy! Take advantage of this opportunity so your kids can get the checkups they need to stay healthy and see the doctor when they're sick or injured.

Your privacy is assured. Information provided to NJ FamilyCare is used only to enroll children for health insurance.

If you need help or information, contact NJ FamilyCare at www.njfamilycare.org or 800-701-0710. Or call the Association for Children of New Jersey at 973-643-3876.
