Re: 2009-2010 Kingwood Township Teacher of the Year Program

Dear Parents:

The Governor's Teacher Recognition Program was developed in 1985 for the purpose of acknowledging teachers who exhibit outstanding performance. The Governor's Annual Educational Services Professionals Recognition Act was enacted on January 9, 2004 for the purpose of acknowledging those who hold educational services professional certificates and who exhibit outstanding performance. The purpose of these recognition programs is to demonstrate our appreciation of the contributions of teachers and educational professionals to our public schools and to encourage others to strive for the same. Each school building with at least 10 teachers and/or 10 educational services professionals can nominate either one teacher or one educational services professional to be recognized at a county-wide event to be held in June 2010.

Attached you will find a nomination form for the 2009-2010 Kingwood Township Teacher of the Year. Please take a few moments to nominate a teacher who you feel has had a positive impact on your child's education and return the form to my attention no later than Thursday, March 11, 2010.

Thank you for your participation in this important event.
